

I will seek Jesus – Monica Spiteri

I wanted to do things all my own way
I thought I could cope all on my own
you were gracious to allow it I know now
but you were always there with me

I didn't know that you were always with me
that you had seen me from my birth
I didn't know I was part of your plan
I had no time for you at all

Chorus :

Now you are Jesus, Lord of my life
you show me the way to go.
Now I can fly high up to the heavens
with Jesus with me all the way

I had been striving all of my life
to achieve what I want to do
this is not the way to go I know now
I can do all things with you

You said I must first seek out your kingdom
and your righteousness as well
then you will add all these things to me
as you have promised in your word

Chorus :

Now you are Jesus, Lord of my life
you show me the way to go
Now I can fly high up to the heavens
with Jesus with me all the way

Now I put you Jesus, first in my life
you are always the first, for me.
I will seek you all of my life
till my last breath is taken away.

I will seek Jesus every day
