

## **The Love of my Lord – Monica Spiteri**

I wake up in the morning  
I seek you Lord when I arise  
I'm ready for the day now  
As I am fortified

I hold onto your promise  
As I go throughout the day  
Your love I know is with me  
With every step  
That I take

**Chorus :**

For you are Christ Jesus  
And I am your son  
Your love has redeemed me  
By all you have done

Your love I will always cherish  
Your love I can never repay  
But your love is always faithful  
Your love is for all  
Eternity

**Chorus :**

For you are Christ Jesus  
And I am your son  
Your love has redeemed me  
By all you have done

I'm heading for glory  
To be with my Lord  
For ever and ever  
In your presence I'll be  
Because of your love

Your still small voice within me  
Makes it clear I am not alone  
It guides and directs me  
It assures me of your love

**Chorus :**

For you are Christ Jesus  
And I am your son  
Your love has redeemed me  
By all you have done

I'm heading for glory  
To be with my Lord  
For ever and ever  
in your presence I'll be  
Because of your love

I'm heading for glory  
To be with my Lord  
For ever and ever  
in your presence I'll be  
Because of your love

Oh the love of Christ Jesus  
The love of my Lord  
Such love I can never  
Ever earn or repay
