

You are my Lord – Cliff Brewer

I am praising,
I am praising,
I am praising you my Lord

You're my saviour
so you're worthy
of my praises every day.

I will worship,
I will worship,
I will worship you my Lord

You're my saviour
so you're worthy
of my worship every day.

I am soaring,
I am soaring,
through the dark days
all around.

I am soaring with
your spirit to be with you
and be free.

I am with you
in your presence
I will praise you every day.

You have saved me,
You have saved me
I am with you, I am free

I will praise you,
I will praise you
I will praise you, here today

I will praise you,
I will praise you
I will praise you, here today

You have saved me,
you have saved me
I will thank you every day.

You have saved me
to dwell with Jesus
in your kingdom far away.

To be in your presence
and be free.

To be in your presence
and be free.

To be in your presence
and be free,
my Lord.

You are Holy,
You are Holy,
You have opened
heavens door

To receive me
saved by Jesus
in your presence
ever more.

You are Holy,
You are Holy,
You are Holy,

You are my Lord.
