

The more I seek You – Cliff Brewer

The more I seek you, the more I hear you
and when I hear you my spirit soars.
My spirit knows just how much, I need you,
I'm lost without you, I praise you Lord.

Chorus :

I know for certain how much you love me,
each day I thank you for all you've done.
I know that you'll always be with me
leading me onwards, until I am with you
forever, with my Lord.

The more I seek you the more I hear you
and when I hear you my spirit soars.
My spirit soars right up through the heavens
to be with my Jesus. you will forever be
there in Glory to welcome me.

Chorus :

I know for certain how much you love me,
each day I thank you for all you've done.
I know that you'll always be with me
leading me onwards, until I am with you
forever, with my Lord.

The more I seek you the more I hear you,
and when I hear you my spirit soars.
My spirit soars right up through the heavens
to be with my Jesus, you will forever be
there in Glory to welcome me.

Chorus :

I know for certain how much you love me,
each day I thank you for all you've done.
I know that you'll always be with me,
leading me onwards until I am with you,
forever with my Lord
